

FISCHER INSTRUMENTATION (GB) LTD.
HEALTH & SAFETY : FI 215
Controlled Document

GENERAL STATEMENT OF POLICY :

Company Policy is to provide and maintain safe and healthy working conditions, equipment and systems of work for all of our employees, and to provide such information, training and supervision as they need for this purpose.

This to apply both to Company premises and to any work conducted on Customers property during servicing and/or repairs.

We also accept our responsibility for the health and safety of other people who may be affected by our activities, namely Visitors and Customers to our premises, in so far as they come into contact with the Company.

To this end, the Company will address all relevant legislative requirements and ensure that this subject is given the priority required as a common objective for all employees of the organisation, at all levels.

This policy will be kept up to date, particularly as the business changes in nature and size. To ensure this, the policy, (this module) and the way in which it is operated will be reviewed at least annually.

The allocation of duties for safety matters and the particular arrangements which have been made to implement this Policy are set out within this Management Module.

Supplementing this, ALL Company personnel working on Customers premises are to enquire of and rigidly comply with all Health and Safety requirements appertaining to the site and the work involved.
